

Farnham Runners New Kit Order Procedure

We have had our first two orders through of Club Kit. Everyone is very pleased.

If you missed these we will do a monthly order with deliveries at the Club Suppers. I will have samples at the Club Handicap if you would like to order something for January or you can buy from the stock items we have.

The items will be printed on the back with Farnham Runners with our logo embroidered on the front, depending on the item.

You can have the items personalised with your name too if you like for an additional £2.00 embroidered under the logo.

Club Running Vests can still be ordered from Alton Sports.

Do not order directly from the Print and Sew website for Farnham Runners Kit during this trial period.
