

Diversity, Equity and Inclusion Policy

Introduction

Farnham Runners is committed to creating an inclusive, welcoming and respectful environment for everyone involved in our club.

As an affiliated running club, we are proud to be part of a wider athletics community that brings people together through shared participation, wellbeing, and a passion for running.

We recognise that diversity strengthens our community and are dedicated to ensuring that all individuals feel valued, supported, and able to participate fully in club life. This policy reflects our commitment to promoting equality, embracing diversity, and fostering inclusion across all aspects of our activities.

We will promote compliance with the Equality Act 2010, including preventing discrimination on the grounds of the protected characteristics (age, disability, gender reassignment, race, religion or belief, sex, sexual orientation, marriage and civil partnership, and pregnancy and maternity) and will encourage our members to do the same. We are committed to inclusion for all.

For the purposes of this policy:

- **“inclusion”** refers to creating an environment where everyone has equitable access to opportunities and feels welcomed, respected, and valued. This includes recognising and embracing differences and ensuring meaningful opportunities for participation in athletics and running—whether as a participant, coach, leader, official, volunteer, or member of staff.
- **“diversity”** refers to the range of differences between individuals and groups, including (but not limited to) characteristics such as age, disability, gender, race, ethnicity, sexual orientation, religion, and socio-economic background.
- **“equity”** refers to providing fair and appropriate support, access, and opportunities, recognising that individuals may have different needs and starting points. It involves taking action to reduce barriers so that everyone can participate fully.
